## Core Convictions

Several months ago, I created a list of my core convictions, those thoughts and beliefs that underlie what I think, say, and do. They make their way into my sermons, Bible studies, and prayers whether or not they relate to my main point. So, I thought I would share them with you over the next few months. I invite you to consider these, and I welcome respectful conversation as we grow in our lives of faith together.

Conviction #1:

***We are loved, just as we are, by God.***

God loves us. Period. Without qualification. Without question. Always.

In the beginning when God created the heavens and the earth and all living things, God created human kind in God's own image and likeness. And though we often do not follow God's way or live in right relationships with God or with one another, God calls us back, again and again, wanting to be in relationship with us. The Hebrew Bible – the Old Testament – is all about the Israelites turning away from God, God calling them back, and the Israelites returning, only to fall away again. God's love is steadfast and faithful, inviting and welcoming. For God so loved the world that God gave Jesus, sending him into the world so that the world might be saved through him (John 3:16-17 paraphrase).

In Romans, Paul writes, "I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation will be able to separate us from the love of God in Christ Jesus our Lord" (8:38-39). Nothing, not even our hateful thoughts or deeds, nor our self-

centeredness, nor our faithlessness, nor our choices, *nothing* can separate us from the love of God in Christ Jesus. Though, this doesn't mean that we don't break God's heart when we turn away. We do, but God loves us anyway and calls us home, again and again.

And this means that ***YOU are loved, just as you are. Always.***

In faith, hope, & love,

*Sara*

O God, may your light guide us this year as we seek to be faithful disciples, sharing your love and grace in the world. Let the *Light of the World* shine in and through our lives to bring peace and hope in a world desperately longing for both. As we follow your light on our journey ever closer to you, may we light the way for others to follow as well. *Amen*

Thanks to everyone who furnished refreshments and stayed to make it a special time.

We thank the Decorating Committee for having the Fellowship Hall decorated so beautifully. Special thanks to Jeannie Williams who played the piano and LeRoy McSwain who read the Christmas story from Luke’s gospel. Thanks to the Christian Education Committee for the work they did to make the celebration a success.

## THANK YOU JEAN!

Our “**Old-Fashioned Family Christmas**” party was a huge success. Thirty-seven people attended. We had plenty of food and great music. Every one enjoyed the fruit & candy bags. Some folks are asking if we can have it again next year.

Thank you Jean for organizing the event and thank you Jeannie for the music.

## Fellowship Committee

2025 was a very good year for the Fellowship Committee. We had great events, good attendance, and lots of delicious food. The Decorating Committee made the Fellowship Hall beautiful for each event.

The Session has approved our budget for 2026.

Beginning a new year, we need to make plans for 2026. **We need more committee members.**

We will meet Saturday, January 31, 2026 at 12:00 pm to determine the events to be held in the coming year, set dates, and plan activities for them. A simple lunch will be provided from 12:00 pm to 12:30 pm. We will start the meeting at 12:30 pm. If you have new ideas, bring them. We would love to hear them. The meeting is scheduled to last only one hour.

**Please let me know if you can join the group,** or you are welcome to come just to see what it is all about.

We are looking forward to another good year.

Some of our Edgewood ladies attended this play at Lee County High School December 6. Oleh and Konstantin played parts and Ron Coley directed the play. It was fantastic!

## Our church needs you!

As we begin a new year, please consider volunteering to help on a committee. We have a limited number of members, and just a few accept the responsibilities for planning and organizing activities and events for the church, and for performing the ongoing essential duties. Everyone has a talent and can help in some way. Our elders are organizing their committees for the year. Volunteers are needed! The committees available are: Christian Education, Communications, Congregational Care, Fellowship, Finance, Missions, Property & Grounds, and Worship & Music. Please let an elder or Rev. Sara know if you are willing to help.
